

Are you interested in serving as a Room Parent?

We LOVE our room parents! Thanks for considering taking on this important role in your child's class this year. We know the process can seem overwhelming sometimes, but it's so worthwhile to be such an integral part of the school year.

To help kick off the year in high gear we've put together a list of expectations and responsibilities of a Room Parent. This will serve as a guide to help those interested know what to expect and help get organized.

Please follow these steps:

1. Review attached "Room Parent Responsibilities & Expectations" form
2. Express your interest to serve as room parent to your child's teacher
3. Please note teachers will choose room parent(s) at their discretion
