

# ST. ROSE OF LIMA

— CATHOLIC SCHOOL —

*A Great Place  
to Grow*

425 NE 105th Street  
Miami Shores, FL 33138

Dear St. Rose of Lima Families,

Please carefully review the new uniform flyers below to check out our fresh look!

A few important notes:

- All uniform items, including socks, must be purchased through Continental Uniforms.
- Regular uniform Sperry-style shoes may be purchased from any vendor of your choice. Please consider the brand carefully; many families have shared that certain Sperry models provide better durability, comfort, and support throughout the school day. SRL parents have highly recommend this model.
- All students will now be required to wear an all-white (no other colors) low-top and all-leather sneaker for PE and designated uniform days.
- The PE uniform itself will remain the same for this school year.
- The khaki skort and light blue oxford shirt have been discontinued.
- Cold-weather uniform items will now feature the new school logo. All outerwear items must include the official updated logo, with the exception of PE attire.
- Boys may continue wearing the previous Continental uniform shorts and pants.
- Since a few of our new uniform pieces are being custom-made, uniform items will not be available for purchase until mid-July.

All previous spirit wear items, older sweaters, and apparel featuring the former logo may continue to be worn only on Spirit Days and designated dress-down days.

We sincerely appreciate your flexibility, understanding, and continued support as we move into this exciting new season for our school community and prepare to celebrate 75 wonderful years of St. Rose of Lima Catholic School.

If you have any questions, please contact the school office beginning tomorrow, and we will be happy to assist you.

Thank you again for your partnership, support, and belief in our mission.

(305) 751-4257
