

Summer 2026

Dear St. Rose of Lima Families,

We're excited to share that students entering grade 6 will use IXL over the summer to retain skills and concepts practiced throughout the year. With thousands of skills aligned to our curriculum and insights into student progress, IXL is a great resource to help your child excel!

During summer break, students will reinforce their math skills using the [IXL-Summer Boost Skill Plan](#). Each student will follow a 4-week plan designed for their grade level. For each IXL skill, students must reach a SmartScore of 80 or higher.

In addition to the IXL Summer Boost plan, there is **one extra skill** requirement that students must complete by the end of the summer.

Please complete the [IXL-Summer Boost Skill Plan](#), including the additional skill, sign this checklist below, and have your child return it to school on the first day of school.

Week 1	Week 2	Week 3	Week 4
<input type="checkbox"/> Day 1	<input type="checkbox"/> Day 6	<input type="checkbox"/> Day 11	<input type="checkbox"/> Day 16
<input type="checkbox"/> Day 2	<input type="checkbox"/> Day 7	<input type="checkbox"/> Day 12	<input type="checkbox"/> Day 17
<input type="checkbox"/> Day 3	<input type="checkbox"/> Day 8	<input type="checkbox"/> Day 13	<input type="checkbox"/> Day 18
<input type="checkbox"/> Day 4	<input type="checkbox"/> Day 9	<input type="checkbox"/> Day 14	<input type="checkbox"/> Day 19
<input type="checkbox"/> Day 5	<input type="checkbox"/> Day 10	<input type="checkbox"/> Day 15	<input type="checkbox"/> Day 20

**6th Grade Additional Skill Requirement:**

- [Skill: 6-Y.1 Write variable expressions: one operation](#)

---

**Acknowledgment:**

I acknowledge my child has completed all skills and the additional skill requirement listed above, achieving a SmartScore of 80 or higher.
